

In Celebration of 100 Years of Flight

AeroExpo III

Future Flight Technologies

**NASA Ames Research Center Invites
Teachers and Students of Grades 5-8**

**Take a trip to the Future!
Check out what's on the horizon
in the world of flight!**

**This FUN and FREE educational event features
Special Guest Speaker: Bob Jacobsen,
Airspace Systems Program Director for NASA**

And offers attendees:
*Special tours of unique
NASA facilities

*Hands-on activity stations,
demonstrations and displays

**This one day program is offered
December 11 and 12, 2002
from 8:30AM to 2:30PM**

Due to limited enrollment, participants will be registered on a "first come, first served" basis.
Complete the enclosed registration form and return via fax or mail by **November 6, 2002**.

Join NASA Quest for regularly scheduled live web casts and web chats, on the Centennial of Flight,
which are open to all students free of charge.
